**Subject: Prolongation of Deadline**

Dear Renu,

with this letter, I kindly ask you to prolong the deadline for the hand-in of required documents for my student visa application:

**Application number :** 20700129

**Client number :** 76376893

I am in contact with my supervisor Colin Fox but we need more time to gather all required documents. Therefore I ask you to extend the set time so that we can provide all the needed information.

Attached you find a supportive document from Colin Fox.

kind regards
